Welcome to Midwest Pain Institute!

We ask that you take a few moments to complete our New Patient paperwork in advance, so that your check-in process will be expedited and you'll have the opportunity to maximize your appointment time with the physician/provider with whom you have been scheduled.

It is extremely important that you bring any and all pertinent medical records and/or diagnostic films. (i.e.-MRI's, C/T scans & report, etc.) If we can be of any assistance to you, please do not hesitate to call, however it is ultimately your responsibility to assure that these items are available to the doctor at the time of your appointment.

We understand that paperwork can be somewhat overwhelming; therefore we have included brief instructions indicating which areas of the forms require completion and/or a signature. Located in the upper right corner of each form is a number; listed below are completion instructions that correlate with those numbers:

(In addition, we have shaded most of the areas you need to acknowledge or sign.)

**Form #1-** Upon review, sign & date.

**Form #2-** Print your name ONLY in the top section and sign & date at the bottom. Do NOT complete any other sections of this form.

**Form #3-** Please complete both the front and back side of this form. IF A SECTION DOESN'T APPLY TO YOU, please mark that area with an N/A, so we don't assume you've overlooked it.

**Form #4-** Please complete each section of this form and sign in the designated areas. The Notice of Privacy Practices (which is a two sided form) is yours to keep for your records.

Thank you for scheduling with Midwest Pain Institute, we look forward to meeting you!

Sincerely,

The Physicians & Staff
